PROJECTS

Entertain Me! Version 2.0 | GitHub: <https://bit.ly/3uFzqQM> | Deployed: <https://bit.ly/3mlP0x8>

EXPERIENCE

2022-2025 · **Code-X · Software Tester** · Saint Petersburg, FL

- Conducted thorough testing for cybersecurity software, covering areas such as Quality Assurance, UI/UX evaluation, data traffic analysis, and performance optimization.
- Deployed containerized applications on AWS EC2, establishing a virtual network to integrate the Code-X platform and ensure secure traffic flow between clients provisioned within the network.
- Wrote detailed installation manuals and user guides for client applications across Windows, Android, iOS, and MacOS platforms, focusing on accessibility.

2022 · **Hudson Creative · Freelance Web Developer** · Remote

- Produced HTML and CSS for clients of Hudson Creative, including Fortune 500 companies.
- Built pages for websites and used WordPress page builders such as Divi and Elementor.
- Implemented conversion optimization to increase the percentage of users.

2018-2020 · **Kensho Martial Arts · Instructor/Manager/Sales** · Chicago, IL

- Led MMA classes for children and adults, fostering discipline, perseverance, and skill development while mentoring students toward higher belt rankings.
- Collaborated with a small team to manage over 200 membership accounts.

2016-2017 · **MedAvail Technologies Inc. · Brand Ambassador/Customer Service** · Chicago, IL

- Educated customers on the benefits of utilizing pharmaceutical technology that efficiently dispenses medication via self-service kiosks.
- Cooperated with pharmacists, Walgreens staff, and customers to establish a positive and efficient workplace environment through strong interpersonal skills.
- Consistently met sales targets while training new team members in effective techniques and strategies for success.
