Professional Experience

2022-2025 · **Code-X** · **Software Tester** · Saint Petersburg, FL
- Performed automated and manual testing for cybersecurity software, focusing on QA, UI/UX, traffic analysis, and performance optimization using tools like JIRA, Confluence, iPerf, netstat, and tcpdump.
- Deployed Dockerized applications on AWS EC2, configuring virtual networks to integrate the Code-X platform; reduced setup time by 40% and ensured secure client traffic flow.
- Wrote detailed installation manuals and user guides for client applications across Windows, Android, iOS, and MacOS platforms, focusing on accessibility.

2022 · **Hudson Creative** · **Freelance Web Developer** · Remote
- Produced HTML and CSS for clients of Hudson Creative, including Fortune 500 companies.
- Structured website pages using WordPress page builders such as Divi and Elementor.

2018-2020 · **Kensho Martial Arts** · **Instructor/Manager/Sales** · Chicago, IL
- Led MMA classes for children and adults, fostering discipline, perseverance, and skill development while mentoring students toward higher belt rankings.
- Collaborated with a small team to manage over 200 membership accounts.

2016-2017 · **MedAvail Technologies Inc.** · **Brand Ambassador/Customer Service** · Chicago, IL
- Educated customers on the benefits of utilizing pharmaceutical technology that efficiently dispenses medication via self-service kiosks.
- Cooperated with pharmacists, Walgreens staff, and customers to establish a positive and efficient workplace environment through strong interpersonal skills.
- Consistently met sales targets while training new team members in effective techniques and strategies for success.
