Entertain-Me Version 2.0 | GitHub: https://bit.ly/3uFzqQM | **Deployed:** https://bit.ly/3mlP0x8

WORK EXPERIENCE

2022-2025 · **Code-X · Test Engineer** · Saint Petersburg, FL

2022 · **Hudson Creative · Freelance Web Developer** · Remote
- Produced HTML and CSS for clients of Hudson Creative including Fortune 500 companies.
- Built pages for websites and customized WordPress themes such as Divi and Elementor.
- Implemented conversion optimization to increase the percentage of users.

2018-2020 · **Kensho Martial Arts · Instructor/Manager/Sales** · Chicago, IL
- Instructed mixed martial arts classes for both kids and adults, and reinforced positive values by motivating students to work harder and advancing them to higher belt rankings.
- Collaborated with a small team to manage over 200 membership accounts, incorporating sales techniques to successfully expand clientele.
- *Key Accomplishment:* Promoted to Black Gi instructor through mastery of curriculum.

2016-2017 · **MedAvail Technologies Inc. · Sales/Customer Service** · Chicago, IL
- Educated customers on the benefits of utilizing new pharmaceutical technology that efficiently dispenses medication via self-service kiosks.
- Used intrapersonal skills when working in cooperation with pharmacists, Walgreens staff members, and customers to establish an easy-going workplace environment.
- *Key Accomplishment:* Achieved various sales goals resulting in becoming one of the top performers and taught new employees by sharing key methods.
